The Embassy of the United States of America presents its compliments to the Ministry of Foreign Affairs and Worship of the Argentine Republic and has the honor to refer to Embassy Notes No. 25 dated January 27, 1977, No. 357 dated December 23, 1976 and No. 310 dated October 21, 1976 concerning the death of an American citizen Mrs. Chris Anna Olson de Oliva. Mrs. Oliva was killed by Argentine Security Forces in Cordoba on October 19, 1976.

As pointed out in previous notes, the Department of State in Washington continues to receive inquiries in the United States from the family of Mrs. Oliva regarding the circumstances surrounding her death.

The Embassy is in receipt of a telegram from the Department of State dated March 2, 1977 instructing the Embassy to raise the matter again with the Government of Argentina.

It would accordingly be appreciated if the Ministry would provide the information requested as promptly as possible in order that the Embassy may report to the Department of State.

The Embassy takes this opportunity to reiterate to the Ministry of Foreign Affairs and Worship of the Argentine Republic the assurances of its highest consideration.
